### **Athlete - Sport Selection Policy and Standards**

The information in this Selection Policy is accurate as at 19 January 2021 but remains subject to change. As a result of the unique and extenuating circumstances caused by COVID-19 and the subsequent impact on international sporting calendars, CGS and Badminton Scotland will be closely monitoring this Selection Policy to determine if any changes are necessary.

For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any manner, and in the sole and absolute discretion of CGS, should CGS consider that qualification process would be fairer having regard to the interests of all Athletes and the prevailing circumstances.

In addition CGS and Badminton Scotland reserve the right to not apply any aspect of this Selection Policy when making any decision, if in the sole and absolute discretion of CGS, it would, as judged by CGS, be unfair or unreasonable not to, provided always that CGS has regard to the interests of all Athletes in the prevailing circumstances

### **Introduction**

- 1 This selection policy has been agreed by Badminton Scotland and Commonwealth Games Scotland (CGS). It provides detail on the process by which Badminton Scotland will arrive at athlete nominations, which will be submitted to CGS for consideration, for final selection to Team Scotland for Birmingham 2022.

Achievement, by an athlete, of individual selection standards, detailed in this document, is therefore the 1<sup>st</sup> step by which nomination can be considered. The final decision in selection to the 2022 Games lies with CGS

- 2 Badminton Scotland will nominate only those athletes that have qualified under both the Badminton Specific Selection Standards stated below, and the CGS General Selection Policy (available on the CGS website) that should be read in conjunction with these standards.
- 3 Entry numbers per event and the overall number of athletes are in accordance with Commonwealth Games Federation (CGF) allocation and should more athletes achieve the standards then Badminton Scotland will prioritise in accordance with this policy
- 4 CGS have confirmed that a minimum of 4 places have been allocated to badminton subject to meeting the sport specific selection criteria, these are referred to as assured places. Badminton Scotland will apply for additional discretionary places for anyone who is nominated for selection above this number

### **Team Scotland General Selection Policy Aim**

- 5 Scotland selects a team that performs with distinction in 2022:

- having a higher percentage of athletes meeting the selection standards when in competition at these Games than in 2018
- meeting the stated performance aims of each sport at the Games
- with all Team members having a positive experience within Team Scotland at the Games.

6 This Badminton policy is consistent with the aim

## **Athlete Eligibility**

- 7 The eligibility criteria of the CGF Constitution and Byelaws, must be met by all nominees, see Appendix 1
- 8 Where prospective team members do not automatically comply with the above, they will only be nominated for final selection if they receive prior approval from the CGF under their guidelines

## **Games Competition Format**

- 9 9.1 Team Event (maximum of 10 players per country: five male/five female).
- 9.2 Men's and Women's Singles (maximum of three entries per country for each event).
- 9.3 Men's and Women's Doubles (maximum of two pairs per country for each event)
- 9.4 Mixed Doubles (maximum of four pairs per country).

## **Sport Specific Selection Standards and Framework**

- 10 Selection period: 1 March 2021 until 5 May 2022
- 10.1 A position in the Badminton World Federation (BWF) published world rankings on at least two occasions during the selection period of
- A world ranking of Top 90 in MS
  - A world ranking of Top 50 in WS
  - A world ranking of Top 65 in MD
  - A world ranking of Top 65 in WD
  - A world ranking of Top 55 in XD
- OR
- Proven success, demonstrated by at least two wins during the selection period of 1 March 2021 to 5 May 2022, against players holding the discipline specific world ranking detailed above, at the time of the win, via results from head to head competition in recognised events may be considered.
- 10.2 In a Doubles event, where a Scottish player qualifies by virtue of their world ranking with a non-Scottish player, this will allow this player to be considered for nomination for this discipline. A partner for this player would then be considered for nomination where;

- The average of the combined ranking of both players meets the discipline specific world ranking standard in 10.1

OR

- The nominated partner, achieves at least two wins against pairings who contain at least one person who meets the discipline specific world ranking standard in 10.1

### **Category: Developmental Prospects for 2026**

10.3 Consideration will be given by CGS to selecting athletes who although they may not have met the sport's standard are identified and agreed to be entered for the reason of development prospects for 2026. The athlete or athletes must meet sport specific agreed criteria developed by the end of February 2022, showing validated objective evidence of ability to achieve a top two thirds finish of the potential field in their event and provide principles of trajectory for 2026.

Additional nominations will be considered in line with the CGS General Selection Policy section "Selection Guidelines for Athletes" section 28.

10.4 Athletes who at the sole discretion of the Badminton Scotland selection committee represent a very strong medal prospect, and have been injured and unable to perform to their best through the selection window, may be considered for nomination subject to proving fitness to the satisfaction of the Badminton Scotland selection committee up to the final nomination date.

10.5 Badminton Scotland will use the criteria below to prioritise qualified athletes for nomination in the following order:

10.5.1 The player/pair with the highest number of wins against opposition ranked inside the set world ranking for each event during the qualification period.

10.5.2 If policy 1 does not separate the athletes then the player/pair will be prioritised depending on the highest number of places above the set world ranking during the qualification period.

### **Other Factors for Consideration**

- 11
  - All nominated athletes must have completed the required Anti-doping education.
  - A GB Badminton programme decision which adversely affects potential world ranking
  - Players will also be asked to undertake health and fitness assessment prior to nomination to CGS

### **Selection Process**

12 The selection panel will meet on 6th May 2022

12.1 Badminton Scotland will communicate the outcome of the selection panel's deliberations to athletes to be nominated and athletes close to being nominated by Tuesday 7th May 2022

12.2 Badminton Scotland will send their final nominations to CGS by 15th May 2022

12.3 CGS will confirm the final team selections by 30th May 2022

12.4 The above dates may be subject to change and failure to adhere to them will in no way invalidate decisions made by Badminton Scotland and / or CGS

## De-Selection

- 13 **Antidoping** - Athletes suspended by their Governing Body as a result of ongoing or concluded anti-doping violation allegations, will not be considered for selection, and if previously selected will be deselected from the Birmingham2022 team.

### **Injury Management**

Where injury issues are identified at or after selection, a fitness test may be used to determine that the athlete is capable of performing to the level that they were selected for the Games. The format will be determined by CGS after discussion with the Badminton Team Management. This will be specific to Badminton and the athlete's condition and may include input from CGS medical staff. Any selection or de-selection decision, following such a test, will be made by CGS after discussion with the Badminton Team Management and will be final.

**Athletes in breach of CGS and Badminton Scotland policies, code of conduct and team agreement may be de-selected.**

## Appeal Process

- 14 An appeal against non-nomination to CGS by Badminton Scotland is entirely a matter for the athlete and Badminton Scotland. This should be held in accordance with Badminton Scotland's own appeal procedures, but taking into consideration only the CGS selection policy and agreed sport specific selections standards and conditions
- 15 After communication of nominated players by 07 May 2022 any player not included has the right of appeal. Appeals against non-nomination will be heard in accordance with the Disciplinary Rules and Procedures of Scottish Badminton Union Limited. These Disciplinary Rules and Procedures can be viewed by clicking on the undernoted link:
- <https://www.badmintonscotland.org.uk/wp-content/uploads/2020/12/Ethics-Laws-Rules-V3-Dec3-20.pdf>
- 16 All appeals must be received, in writing, including the grounds upon which the appeal is made, to the Badminton Scotland Chief Executive within 72 hours of being notified of non-nomination or by the 11 May 2020 by 12noon, whichever is earlier
- 17 In all instances, Badminton Scotland will respond in writing to the athlete within 72 hours or by 14 May 2020, whichever is earlier, notifying them of the outcome of the Appeal Process
- 18 An appeal against CGS non-selection on behalf of an athlete may only be submitted by Badminton Scotland and not by any individual athlete. If an appeal is submitted to CGS by Badminton Scotland, a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made by email to [jon.doig@teamsotland.scot](mailto:jon.doig@teamsotland.scot) within three days of notification of selection outcomes to Badminton Scotland by CGS.

## **Appointment of Team Staff**

- 19 A Team Manager has been appointed by CGS in consultation with BadmintonScotland. The final complement of Badminton team staff attending the Games will ultimately depend upon team numbers and composition and will be determined by CGS in consultation with BadmintonScotland. This will include different categories of accreditation and access to the Games Village and other secure areas.
