1 Introduction

Scottish Swimming and Commonwealth Games Scotland (CGS) have agreed this selection policy. It provides details of the process by which Scottish Swimming will arrive at athlete nominations for aquatic athletes and contains specific selection criteria presented as appendices within the document as follows:

- Appendix 1 – Swimming Selection Policy
- Appendix 2 – Para Swimming Selection Policy
- Appendix 3 – Diving Selection Policy

- 1.1 All aquatic nominations will be submitted to CGS for consideration and for final selection to Team Scotland 2022.
- 1.2 The information in this Selection Policy is accurate at 1 February, 2021 but remains subject to change. As a result of the unique and extenuating circumstances caused by COVID-19 and the subsequent impact on international sporting calendars, CGS and Scottish Swimming will be closely monitoring this Selection Policy to determine if any changes are necessary.
- 1.3 For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any way if CGS, at its sole and absolute discretion, considers that an alternative selection process would be fairer, having regard to the interests of all athletes and the prevailing circumstances.
- 1.4 CGS and Scottish Swimming reserve the right to not apply any aspect of this Selection Policy when making any decision if, in the sole and absolute discretion of CGS, it would be unfair or unreasonable not to do so, provided always that CGS has regard to the interests of all athletes in the prevailing circumstances.
- 1.5 All amendments will be communicated using the Scottish Swimming and CGS website and social media channels.

2 Aims and Objectives

Team Scotland General Selection Policy Aim for the Birmingham 2022 Commonwealth Games;

Scotland selects a team that performs with distinction in 2022:

- *having a higher percentage of athletes meeting the selection standards when in competition at these Games than in 2018,*
- *meeting the stated performance aims of each sport at the Games,*
- *all Team members having a positive experience within Team Scotland at the Games.*

The Scottish Swimming Aquatics Policy is consistent with the aims and objectives above.

3 Selection Policy Principles

The following principles are applicable across all three policies outlined within this document.

- 3.1 Scottish Swimming will nominate only those athletes to have qualified under both the Scottish Swimming Aquatics Sport Specific Selection Policy and Standards stated within each of the discipline appendices, and the [CGS General Selection Policy](#) that should be read in conjunction with this Selection Policy and Standard document.
- 3.2 Nomination by Scottish Swimming to CGS through the discipline specific policies is the first step of the selection process. The final decision for selection to the 2022 Games lies with CGS.
- 3.3 The overall team size for Aquatics will be determined by CGS.
- 3.4 Entry numbers per event and the overall number of athletes in the Aquatics Team are in accordance with Commonwealth Games Federation (CGF) allocation. Initial selection numbers are identified within each of the swimming and diving specific policies. Should more athletes achieve the standards than spaces available, Scottish Swimming will prioritise in accordance with this policy. For para swimming, final numbers will be determined through the application of the selection policy.
- 3.5 All nominated athletes must have completed the required Anti-doping education prior to attending the Games.

4 Discretionary Nomination

- 4.1 If additional places are allocated by CGS to Aquatics, allocation of the additional places between diving and swimming will be at the discretion of the Scottish Swimming Director of Aquatics, taking in to account the Team Scotland aims and objectives in section 2 above.
- 4.2 Where additional places have been allocated to either discipline, further athletes will be nominated to CGS at the discretion of the Scottish Swimming Director of Aquatics in consultation with the Scottish Swimming National Coach and the Scottish Swimming Diving National Coach, taking in to account the Team Scotland aims and objectives identified in Section 2 above. To be considered for discretionary selection, athletes MUST have achieved a nomination standard from the relevant discipline specific selection policy.
- 4.3 Where the CGS General Policy allows, additional nominations MAY be made to CGS at the discretion of the Scottish Swimming Director of Aquatics in consultation with the Scottish Swimming National Coach and the Scottish Swimming Diving National Coach, taking in to account the Team Scotland aims and objectives identified in Section 2 above. To be considered for nomination, athletes MUST have achieved a nomination standard from the relevant discipline specific selection policy.
- 4.4 Only events where space remains will be considered as part of the discretionary nomination process.

5 Selection Process

- 5.1 The “Scottish Swimming Birmingham 2022 Selection Group” will be responsible for overseeing the athlete and coach selection process for the Birmingham 2022 Aquatics Team.
- 5.2 The Terms of Reference for the selection group along with a listing of the members of the group can be found in Appendix 5.
- 5.3 A selection process timeline for each discipline can be found in each of the discipline specific policies.

6 Athlete Eligibility

- 6.1 The eligibility criteria of the CGF Constitution and Byelaws, (see Appendix 4) and R4.5.3 of Scottish Amateur Swimming Association Limited Company Rules must be met by all nominees.
- 6.2 Where prospective team members do not automatically comply with the above will only be nominated for final selection if they receive prior approval from the CGF under their guidelines.

7 Appointment of Team Staff

- 7.1 An Aquatics Team Manager was appointed by CGS in consultation with Scottish Swimming in December 2020. The final complement of Scottish Swimming team staff attending the Games will ultimately depend upon team numbers and composition and will be determined by CGS in consultation with Scottish Swimming. This will include different categories of accreditation and access to the Games Village and other secure areas.
- 7.2 A process for the nomination of discipline specific coaching staff is identified within each of the discipline specific selection policies contained within the appendices.

8 De-selection

- 8.1 Anti-doping
Athletes suspended by British Swimming and/or Scottish Swimming as a result of on-going or concluded anti-doping violation allegations, will not be considered for selection, and if previously selected, will be de-selected from the Birmingham 2022 team.
- 8.2 Conduct
Athletes in breach of CGS's policies, code of conduct and team agreement may be de-selected.
- 8.3 Form and fitness issues – Injury Management
Where form, injury, illness or health issues are identified at or after selection, an appropriate fitness test may be used to determine whether the athlete is capable of performing to the level that they were selected for the Games. The format of any test will be determined by CGS after discussion with the Aquatics Team Management. This applies to all athletes (and the athlete's condition) and may include input from CGS medical staff.
- 8.4 Any selection or de-selection decision for any reason in this Section 8 will be made by CGS after discussion with the Aquatics Team Management and will be final.

9 Appeal Process

- 9.1 Appeals related to non-nomination
 - 9.1.1 An appeal against non-nomination to CGS by Scottish Swimming is entirely a matter for the athlete and Scottish Swimming. This will be held as per the process detailed in section 9.1.2 to 9.1.5 taking into consideration only the information contained within this document.
 - 9.1.2 Appeals shall only be considered if they address the selection process, clarification of fact or provide new and relevant information/evidence. Grounds for appeal do not include: eligibility, health, or standards achieved out-with phases identified within the selection policy.
 - 9.1.3 Following communication of nominations, all appeals must be received by 1200 hours (midday) on 5 May 2022, in writing by email, to the Scottish Swimming Chief Executive Officer, Euan Lowe, (e.lowe@scottishswimming.com) clearly stating the grounds upon which

the appeal is made. In all instances, Scottish Swimming will respond in writing by email to the athlete within 2 days, notifying them of the outcome of the Appeal Process.

- 9.1.4 Appeals will be heard by a three-member Appeals Panel appointed by the Scottish Swimming Chief Executive Officer (CEO). All three members of the Appeals Panel will be independent of the Selection Group. The CEO will not sit on the panel but will provide assistance.
- 9.1.5 The Appeals Panel will operate in line with Scottish Swimming's internal appeal procedures.
- 9.2 Appeals related to non-Selection by CGS
 - 9.2.1 Scottish Swimming can appeal to the CGS if athletes that have been nominated by Scottish Swimming are not selected.
 - 9.2.2 An appeal against CGS non-selection on behalf of an athlete may only be submitted by Scottish Swimming and not by any individual athlete.

If an appeal is submitted to CGS by Scottish Swimming, a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made by email to CGS Chief Executive Jon Doig, (jon.doig@teamsotland.scot) within 3 days of notification of selection outcomes to Scottish Swimming by CGS

Each application for dispensation under Byelaw 17 shall be considered on its own merits and will not create a precedent for any future applications. Decisions made by GIC are subject to the right of appeal directly to the Executive Board, whose decision shall be final and binding.

^{*}“final entries deadline” means the final date that an individual athlete may be entered in a particular event(s) for the relevant Commonwealth Games, usually completed via an online entry system. Such date to be communicated for each relevant Commonwealth Games in the Sport Handbook.
