## **BOXING**

### **Athlete - Sport Selection Policy and Standards**

The information in this Selection Policy is accurate as at January 2022 but remains subject to change. As a result of the unique and extenuating circumstances caused by COVID-19 and the subsequent impact on international sporting calendars, CGS and Boxing Scotland will be closely monitoring this Selection Policy to determine if any changes are necessary.

For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any manner, and in the sole and absolute discretion of CGS, should CGS consider that qualification process would be fairer having regard to the interests of all Athletes and the prevailing circumstances.

In addition CGS and Boxing Scotland reserve the right to not apply any aspect of this Selection Policy when making any decision, if in the sole and absolute discretion of CGS, it would, as judged by CGS, be unfair or unreasonable not to, provided always that CGS has regard to the interests of all Athletes in the prevailing circumstances

### **Introduction**

- 1 This selection policy has been agreed by Boxing Scotland and Commonwealth Games Scotland (CGS). It provides detail on the process by which Boxing Scotland will arrive at athlete nominations, which will be submitted to CGS for consideration, for final selection to Team Scotland for Birmingham 2022. Achievement, by an athlete, of individual selection standards, detailed in this document, is therefore the first step by which nomination can be considered. The final decision in selection to the 2022 Games lies with CGS
- 2 Boxing Scotland will nominate only those athletes that have qualified under both the boxing Specific Selection Standards stated below, and the CGS General Selection Policy (available on the CGS website) that should be read in conjunction with these standards.
- 3 Entry numbers per event and the overall number of athletes are in accordance with Commonwealth Games Federation (CGF) allocation and should more athletes achieve the standards then Boxing Scotland will prioritise in accordance with this policy.

### **Team Scotland General Selection Policy Aim**

- 4 Scotland selects a team that performs with distinction in 2022:
  - having a higher percentage of athletes meeting the selection standards when in competition at these Games than in 2018
  - meeting the stated performance aims of each sport at the Games
  - with all Team members having a positive experience within Team Scotland at the Games.
- 5 This boxing policy is consistent with the aim.

## Athlete Eligibility

- 6 The eligibility criteria of the CGF Constitution and Byelaws, must be met by all nominees, see Appendix 1.
- 7 Where prospective team members do not automatically comply with the above, they will only be nominated for final selection if they receive prior approval from the CGF under their guidelines.

## Games Competition Format

8	The competition format for Birmingham 2022 consists of individual events, with the following weight categories as per the AIBA Technical and Competition rules:										
	Men	Over 48-51kg	Over 51-54kg	Over 54-57kg	Over 60-63kg	Over 63.5-67kg	Over 67-71kg	Over 71-75kg	Over 75-80kg	Over 86-92kg	Over 92kg
	Women	Over 45-48kg	Over 48-50kg	Over 54-57kg	Over 57-60kg	Over 66-70kg	Over 70-75kg

This will be applied to a maximum of four tournaments and 6 dual matches wins per individual boxer

  - 9.5 Any boxer obtaining points (i.e. a top six finish) as per the Boxing Scotland points matrix will be considered to have reached the minimum qualification standard. This will not guarantee nomination but point scores will be taken into consideration along with sections 10 for final nomination.

## Other Factors for Consideration

- 10 The following will be taken into account for nomination purposes:

  - 10.12 If a boxer is unable to compete in any of the competitions identified in Appendix 3 for which they have been selected, due to injury, or extenuating circumstances, the Boxing Scotland Performance Director/National Coach must be notified immediately
  - 10.13 Boxing Scotland reserves the right to arrange a Box-off to confirm any final nominations. Box-offs will be officiated by neutral Boxing Scotland and/or

International Officials in a closed doors environment. Box-offs will not be held in any other circumstances

- 10.14 A Boxer may be removed from the Boxing Scotland performance programme at any stage during the selection period, if there are reasons that the Performance Director/National Coach considers may adversely affect potential performance at the 2022 Birmingham Commonwealth Games.

- 22 Final selection to the Games team is dependent on receipt of relevant information required by CGS such as completion and signing of the CGF Eligibility form and CGS Team Member Agreement

## De-Selection

23 Athletes may be deselected at any stage for the following reasons:

### Antidoping

Athletes suspended by their Governing Body as a result of ongoing or concluded anti-doping violation allegations, will not be considered for selection, and if previously selected will be deselected from the Birmingham 2022 team.

### Injury Management

Where injury issues are identified at or after selection, a fitness test may be used to determine that the athlete is capable of performing to the level that they were selected for the Games. The format will be determined by CGS after discussion with the Boxing Team Management. This will be specific to boxing and the athlete's condition and may include input from CGS medical staff. Any selection or de-selection decision, following such a test, will be made by CGS after discussion with the Boxing Team Management and will be final.

**CGS and Boxing Scotland Policies:** athletes in breach of CGS and or Boxing Scotland policies, code of conduct and team agreement may be de-selected.

## Appeal Process

24 An appeal against non-nomination to CGS by Boxing Scotland is entirely a matter for the athlete and Boxing Scotland. This should be held in accordance with Boxing Scotland's own appeal procedures, but taking into consideration only the CGS selection policy and agreed sport specific selections standards and conditions.

25 Boxing Scotland will communicate the outcome of the Selection Panel deliberations on nominations to CGS by 5 May 2022

26 Following notification of non-nomination from Boxing Scotland, the athlete must inform Boxing Scotland's Operations Sports Manager ([marianne.crichton@boxingscotland.org](mailto:marianne.crichton@boxingscotland.org)) by email of their decision to Appeal and the grounds upon which the appeal is made. This must occur within three days of notification of non-nomination.

27 Appeals will be heard in accordance with Boxing Scotland's internal appeals process.

28 In all instances, Boxing Scotland will respond in writing to the athlete within three working days, notifying them of the outcome of the Appeal Process.

29 An appeal against CGS non-selection on behalf of an athlete may only be submitted by Boxing Scotland and not by any individual athlete. If an appeal is submitted to CGS by Boxing Scotland, a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made by email to [jon.doig@teamsotland.scot](mailto:jon.doig@teamsotland.scot) within three days of notification of selection outcomes to Boxing Scotland by CGS.

## Appointment of Team Staff

30 A Team Manager has been appointed by CGS in consultation with Boxing Scotland. The final complement of boxing team staff attending the Games will ultimately depend upon team numbers and composition and will be determined by CGS in consultation with Boxing Scotland. This will include different categories of accreditation and access to the Games Village and other secure areas
