### **LAWN BOWLS**

#### **Athlete - Sport Selection Policy and Standards**

The information in this Selection Policy is accurate as at September 2021 but remains subject to change. As a result of the unique and extenuating circumstances caused by COVID-19 and the subsequent impact on international sporting calendars, CGS and Bowls Scotland will be closely monitoring this Selection Policy to determine if any changes are necessary, which changes may be made at any time before, during and after the selection period as hereinafter defined.

For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any manner, and in the sole and absolute discretion of CGS, should CGS consider that qualification process would be fairer having regard to the interests of all Athletes and the prevailing circumstances.

In addition CGS and Bowls Scotland reserve the right to not apply any aspect of this Selection Policy when making any decision, if in the sole and absolute discretion of CGS, it would, as judged by CGS, be unfair or unreasonable not to, provided always that CGS has regard to the interests of all Athletes in the prevailing circumstance.

#### **Introduction**

- 1 This selection policy has been agreed by the Board of Bowls Scotland and Commonwealth Games Scotland (CGS). It provides detail on the process by which Bowls Scotland will arrive at athlete nominations, which will be submitted to CGS for consideration, for final selection to Team Scotland for Birmingham 2022.

Achievement, by an athlete, of individual selection standards, detailed in this document, is therefore the 1<sup>st</sup> step by which nomination can be considered. The final decision in selection to the 2022 Games lies with CGS.

- 2 Bowls Scotland will nominate only those athletes that have qualified under both the Lawn Bowls Specific Selection Standards stated below, and the CGS General Selection Policy (available on the CGS website) that should be read in conjunction with these standards.
- 3 Entry numbers per event and the overall number of athletes are in accordance with Commonwealth Games Federation (CGF) allocation and should more athletes achieve the standards then Bowls Scotland will prioritise in accordance with this policy.
- 4 CGS have confirmed that the maximum of 10 places have been allocated to Lawn Bowls subject to meeting the sport specific selection criteria. These are referred to as assured places. Bowls Scotland will apply for additional discretionary places for anyone who is nominated for selection above this number.

## **Team Scotland General Selection Policy Aim**

5 The Team Scotland General Selection Policy Aim is as follows:-

*"Scotland selects a team that performs with distinction in 2022:*

- having a higher percentage of athletes meeting the selection standards when in competition at these Games than in 2018
- meeting the stated performance aims of each sport at the Games
- with all Team members having a positive experience within Team Scotland at the Games."

6 This Lawn Bowls policy is consistent with the aim.

7 **Bowls Scotland** general nomination philosophy is:

To ensure that Bowls Scotland nominates athletes to form a team which is balanced, high performing, and best placed to medal at the Commonwealth Games.

## **Athlete Eligibility**

8 The eligibility criteria of the CGF Constitution and Byelaws, must be met by all nominees (see Appendix 1).

9 Where prospective team members do not automatically comply with the above, they will only be nominated for final selection if they receive prior approval from the CGF under their guidelines.

## **Games Competition Format**

10 The competition format for Men and Women will be Singles, Pairs, Triples and Fours.

A maximum of five male and five female players can be nominated by each country.

Each player will be allowed to compete in a maximum of 2 events, being one of:-

- Singles or Fours
- and
- Pairs or Triples

## **Sport Specific Selection Standards and Framework**

11 The selection period is 1 March 2021 to 1 November 2021.

12 To be considered for nomination, athletes must achieve any one or more of the following performance related results. These are in no particular order.

12.1 In respect of any male athlete:

- A top 2 finish at Home Nations events, held during the selection period;
- A top half finish across Commonwealth countries at the Elite Nations Invitational 2021 unless otherwise agreed with CGS due to level of participating nations
- A position in the top 16 WBT ranking list at any point during the selection period;
- Recording at least two wins against recognised international opposition (as determined by CGS in consultation with Bowls Scotland) at any Test Events as may be agreed between Bowls Scotland and CGS.
- Due to lack of competitive opportunities benchmarking data gathered by Bowls Scotland using designated analysis software during training and competition events may be considered a measure of performance.
- If any additional competition opportunities are available, they may be considered as agreed by CGS and Bowls Scotland.

12.2 In respect of any female athlete:

- A top 2 finish at Home Nations events, held during the selection period;
- A top half finish across Commonwealth countries at the Elite Nations Invitational 2021 unless otherwise agreed with CGS due to level of participating nations
- Recording at least two wins against recognised international opposition (as determined by CGS in consultation with Bowls Scotland) at any Test Events as may be agreed between Bowls Scotland and CGS.
- Due to lack of competitive opportunities benchmarking data gathered by Bowls Scotland using designated analysis software during training and competition events may be considered a measure of performance.
- If any additional competition opportunities are available they may be considered as agreed by CGS and Bowls Scotland.

13 In order to maximise medal potential, Bowls Scotland will nominate athletes based on composition of position, specific specialist and team dynamics which may be at the expense of a qualified athlete in another discipline.

### **Other Factors for Consideration**

14 When considering which athletes to nominate for inclusion in Team Scotland, Bowls Scotland may have regard to the following non-exhaustive factors:

14.1 Proficiency in any specific position, having regard to the composition of the team based on other selections

14.2 The dynamic of the Team

- 14.3 Performance record at world and international events up to four years prior to 1 December 2021
  - 14.4 Performance record at Commonwealth Games and/or World Championships
  - 14.5 Performance record against recognised international opposition (as determined by CGS in consultation with Bowls Scotland) on relevant playing surfaces
  - 14.6 For the purposes of 14.5 "relevant playing surfaces" means "Northern Hemisphere outdoor grass green"
  - 14.7 Benchmarking data gathered by Bowls Scotland during training and competition events
  - 14.8 Discipline records, including any breaches of Bowls Scotland's athlete agreement during the selection period
  - 14.9 Form and fitness of any athlete as assessed by Bowls Scotland
  - 14.10 Athlete dedication, including attendance and performance at training and competition events by any athlete called upon to participate.
- 15 When considering any athlete for nomination, Bowls Scotland shall not be bound to prioritise any individual factor referred to in paragraph 14 above, over another, and shall have regard to the philosophy referred to in paragraph 7.

### **Selection Process**

- 16 To be considered for nomination, all athletes must have completed all prescribed anti-doping education programmes.
- 17 Bowls Scotland Selection for nomination to CGS will take place by 1 December 2021.  
  
Athletes will be advised if they are successful/unsuccessful for nomination to CGS by 2 December 2021.
- 18 Bowls Scotland will submit their final nominations, in priority order, to CGS by 15 December 2021. CGS will confirm initial team selections by 15 January 2022 and final selections by 30 May 2022.
- 19 Final selection to Team Scotland is dependent on provision of relevant information required by CGS, including but not limited to completion and signing of the CGF Eligibility form and CGS Team Member Agreement.

## **De-Selection**

### 20 Antidoping

Athletes suspended by their Governing Body as a result of ongoing or concluded anti-doping violation allegations, will not be considered for selection, and if previously selected will be deselected from the Birmingham2022 Team.

### 21 Injury Management

Where injury issues are identified at or after selection, a fitness test may be used to determine that the athlete is capable of performing to the level that they were selected for the Games. The format will be determined by CGS after discussion with the Lawn Bowls Team Management. This will be specific to lawn bowls and the athlete's condition and may include input from CGS medical staff. Any selection or de-selection decision, following such a test, will be made by CGS after discussion with the Lawn Bowls Team Management and will be final.

### 22 Athletes in breach of CGS policies, code of conduct and team agreement may be de-selected.

## **Appeal Process**

### 23 An appeal against non-nomination to CGS by Bowls Scotland is entirely a matter for the athlete and Bowls Scotland. This should be held in accordance with Bowls Scotland's own appeal procedures, taking into consideration only the CGS selection policy and agreed sport specific selections standards and conditions.

### 24 An appeal against non-nomination should follow the Bowls Scotland Appeals process detailed below:

- An Athlete (the Appellant) may appeal to have the decision of Bowls Scotland selection panel reviewed by the Appeals Panel
- The Appellant should lodge an appeal in writing within 48 hours after the selection decision has been communicated to them to CEO@Bowlsscotland.com or in writing to; CEO Bowls Scotland, Northfield Hunters Ave, Ayr, KA8 9AL marked Private and Confidential
- The notice of appeal should set out in full the basis of which the Appellant wishes to appeal and should be accompanied by all relevant and supporting documentation
- The Appeal panel will meet within 48 hours of the appeal being received, where the Appellant will be invited to attend. If the Appellant is unable to attend a decision will be made based on the previously submitted documentation. Bowls Scotland have 5 working days to communicate a response to the Appellant
- The decision of the appeals panel is final and the appellant has no further right to appeal

- Members of the Appeals Panel will have had no previous involvement in the Selection Policy and 1 member will be from outwith Bowls Scotland.
- 25 An appeal against CGS non-selection on behalf of an athlete may only be submitted by Bowls Scotland and not by any individual athlete. If an appeal is submitted to CGS by Bowls Scotland a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made by email to [jon.doig@teamsotland.scot](mailto:jon.doig@teamsotland.scot) within three days of notification of selection outcomes to Bowls Scotland by CGS.

### **Appointment of Team Staff**

- 26 A Team Manager has been appointed by CGS in consultation with Bowls Scotland. The final complement of Bowls team staff attending the Games will ultimately depend upon team numbers and composition and will be determined by CGS in consultation with Bowls Scotland. This will include different categories of accreditation and access to the Games Village and other secure areas.

## PARA LAWN BOWLS

### Athlete - Sport Selection Policy and Standards

The information in this Selection Policy is accurate as at 12 February 2021 but remains subject to change. As a result of the unique and extenuating circumstances caused by COVID-19 and the subsequent impact on international sporting calendars, CGS and Bowls Scotland will be closely monitoring this Selection Policy to determine if any changes are necessary, which changes may be made at any time before, during and after the selection period as hereinafter defined.

For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any manner, and in the sole and absolute discretion of CGS, should CGS consider that qualification process would be fairer having regard to the interests of all Athletes and the prevailing circumstances.

In addition CGS and Bowls Scotland reserve the right to not apply any aspect of this Selection Policy when making any decision, if in the sole and absolute discretion of CGS, it would, as judged by CGS, be unfair or unreasonable not to, provided always that CGS has regard to the interests of all Athletes in the prevailing circumstances.

### Introduction

- 1 This selection policy has been agreed by the Board of Bowls Scotland and Commonwealth Games Scotland (CGS). It provides detail on the process by which Bowls Scotland will arrive at athlete nominations, which will be submitted to CGS for consideration, for final selection to Team Scotland for Birmingham 2022.
- 2 Achievement, by an athlete, of individual selection standards, detailed in this document, is therefore the 1<sup>st</sup> step by which nomination can be considered. The final decision in selection to the 2022 Games lies with CGS.
- 3 Bowls Scotland will nominate only those athletes that have qualified under both the Lawn Bowls Specific Selection Standards stated below, and the CGS General Selection Policy (available on the CGS website) that should be read in conjunction with these standards.

### Team Scotland General Selection Policy Aim

- 4 The Team Scotland General Selection Policy Aim is as follows:-

*"Scotland selects a team that performs with distinction in 2022:*

*having a higher percentage of athletes meeting the selection standards when in competition at these Games than in 2018*

*meeting the stated performance aims of each sport at the Games*

*with all Team members having a positive experience within Team Scotland at the Games."*

- 5 This Lawn Bowls policy is consistent with the aim.

6 **Bowls Scotland** general nomination philosophy is:

To ensure that Bowls Scotland nominates athletes to form a team which is balanced, high performing, and best placed to medal at the Commonwealth Games.

## **Athlete Eligibility**

- 7 The eligibility criteria of the CGF Constitution and Byelaws, must be met by all nominees (see Appendix 1).
- 8 Where prospective team members do not automatically comply with the above, they will only be nominated for final selection if they receive prior approval from the CGF under their guidelines.

## **Games Competition Format**

- 9 The following events will be contested by para sport athletes (Elite Athletes with a Disability) in Birmingham:

Medal Events	Eligible Sport Classes
Men's Pairs B6 – B8*	B5 – B8
Women's Pairs B6 – B8*	B5 – B8
Mixed Pairs B2 – B3**	B1 – B3

\*For the Men's Pairs B6 – B8 and Women's Pairs B6 – B8 medal events, the maximum cumulative point score for each pair is 14 points. The cumulative point score is determined by combining the Sport Classes of both athletes entered within that medal event. For the avoidance of doubt, the sport class of an individual athlete is worth the actual number value (i.e. sport class B5 is worth 5 points, sport class B6 is worth 6 points, sport class B7 is worth 7 points, B8 is worth 8 points).

\*\* For the Mixed Pairs B2 – B3 medal event, the maximum cumulative point score for each pair is 5 points. The cumulative point score is determined by combining the Sport Classes of both athletes entered within that medal event. For the avoidance of doubt, the sport class of an individual athlete is worth the actual number value (i.e. sport class B1 is worth 1 point; sport class B2 is worth 2 points, B3 is worth 3 points).

Mixed Pairs must be 1 male and 1 female athlete.

\*\*Each athlete entered in the Mixed Pairs B2 – B3 medal event is entitled to one (1) Director.

A maximum of 6 players and 2 directors can be nominated by each country.

## **Sport Specific Selection Standards and Framework**

- 10 The selection period is 1 March 2021 to 31 December 2021
- 11 **Pairs Team Qualification**
- Men's pairs, Women's Pairs and Mixed Pair teams will be invited to compete by the Commonwealth Games Federation by 10 January 2022.

- Any Pairs receiving an initial invitation to compete from the CGF will be considered to have achieved the required standard (Six Team Competition) and therefore the invitation to compete will be accepted.
- Any Pairs receiving a reallocation invitation to compete may be considered for nomination to CGS and CGS may consider acceptance of the qualification slot and will be dependent on standard achieved in section 12.

The format will be determined by CGS after discussion with the Lawn Bowls Team Management. This will be specific to lawn bowls and the athlete's condition and may include input from CGS medical staff.
