The information in this Selection Policy is accurate as at 4 August 2025 but remains subject to change. As a result of the unique and extenuating circumstances caused by the late confirmation of Glasgow as hosts for the 2026 Games and the consequential outstanding Commonwealth Games Federation requirements, Commonwealth Games Scotland (CGS) and Scottish Cycling will be closely monitoring this Selection Policy to determine if any changes are necessary including changes related to amendments of the cycling events programme and para qualification timelines.

1. For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any manner, and in the sole and absolute discretion of CGS, should CGS consider that qualification process would be fairer having regard to the interests of all athletes and the prevailing circumstances.
2. In addition, CGS and Scottish Cycling reserve the right to not apply any aspect of this Selection Policy when making any decision, if in the sole and absolute discretion of CGS, it would, as judged by CGS, be unfair or unreasonable.

INTRODUCTION

3. This selection policy has been agreed by Scottish Cycling and CGS. It provides detail on the process by which Scottish Cycling will arrive at athlete nominations, which will be submitted to CGS for consideration, for final selection to Team Scotland for Glasgow 2026.
4. Achievement, by an athlete, of individual selection standards, detailed in this document, is therefore the 1st step by which nomination can be considered. The final decision in selection to the 2026 Games lies with CGS.
5. Scottish Cycling will nominate only those athletes that have qualified under both the Cycling Specific Selection Standards stated below, and the CGS General Selection Policy (available on the CGS website) that should be read in conjunction with these standards.
6. Entry numbers per event and the overall number of athletes are in accordance with Commonwealth Games Federation (CGF) allocation and should more athletes achieve the standards then Scottish Cycling will prioritise in accordance with this policy.
