V1.0	16 October 2025	Inception of Policy	Boxing Scotland & CGS
V2.0	16 April 2026	Dual Match vs N. Ireland added to Appendix 3	Boxing Scotland & CGS

The information in this Selection Policy is accurate as at 16 April 2026 but remains subject to change. As a result of the unique and extenuating circumstances caused by the late confirmation of Glasgow as hosts for the 2026 Games and the consequential outstanding Commonwealth Games Federation requirements, CGS and Boxing Scotland will be closely monitoring this Selection Policy to determine if any changes are necessary.

1. For the avoidance of doubt, CGS reserves the right to amend this Selection Policy in any manner, and in the sole and absolute discretion of CGS, should CGS consider that qualification process would be fairer having regard to the interests of all athletes and the prevailing circumstances.
2. In addition, CGS and Boxing Scotland reserve the right to not apply any aspect of this Selection Policy when making any decision, if in the sole and absolute discretion of CGS, it would, as judged by CGS, be unfair or unreasonable.

INTRODUCTION

3. This selection policy has been agreed by Boxing Scotland and Commonwealth Games Scotland (CGS). It provides detail on the process by which Boxing Scotland will arrive at athlete nominations, which will be submitted to CGS for consideration, for final selection to Team Scotland for Glasgow 2026.
4. Achievement, by an athlete, of individual selection standards, detailed in this document, is therefore the first step by which nomination can be considered. The final decision in selection to the 2026 Games lies with CGS.
5. Boxing Scotland will nominate only those athletes that have qualified under both the Boxing Specific Selection Standards stated below, and the CGS General Selection Policy (available on the CGS website) that should be read in conjunction with these standards.
6. Entry numbers per event and the overall number of athletes are in accordance with Commonwealth Games Federation (CGF) allocation. Boxing Scotland has been allocated a maximum of 10 places and should the number of athletes achieving the standards exceed this allocation then Boxing Scotland will prioritise in accordance with this policy.

SELECTION AIM

7. To select a team of athletes capable of competing with distinction for Scotland at the 2026 Commonwealth Games, and collectively:
 - Having a higher percentage of athletes meeting the general selection standards when in competition at these Games than in 2022.
 - Meeting the stated performance aims of each sport at the Games.
 - Team members having a positive experience within Team Scotland at the Games.
8. This Boxing policy is consistent with this aim.

ELIGIBILITY & CONDITIONS FOR REPRESENTATION

9. Athlete eligibility and conditions for representing Scotland will be as outlined in the CGF Constitution and Byelaws. Please see Appendix 1 for the current eligibility Byelaw. Should these change, the most recent version will be used.

the Boxing Team Management. This will be specific to boxing and the athlete's condition and may include input from CGS medical staff. Any selection or de-selection decision, following such a test, will be made by CGS after discussion with the Boxing Team Management and will be final.

- 32 Athletes in breach of CGS and/or Boxing Scotland policies, code of conduct or team agreement may be de-selected.

- 33 An appeal against non-nomination to CGS by Boxing Scotland is entirely a matter for the athlete and Boxing Scotland. This should be held in accordance with Boxing Scotland's own appeal procedures, taking into consideration the CGS selection policy and agreed sport specific selections standards and conditions, as in place from time to time.
- 34 Following notification of non-nomination from Boxing Scotland, the athlete must inform Boxing Scotland's Performance Operations Coordinator (sudias.mohammed@boxingscotland.org) by email of their decision to appeal and the grounds upon which the appeal is made. This must occur within three days of notification of non-nomination.
- 35 In all instances, Boxing Scotland endeavour to respond in writing to the athlete within three working days, notifying them of the outcome of the Appeal Process.
- 36 An appeal against CGS non-selection on behalf of an athlete may only be submitted by Boxing Scotland and not by any individual athlete. If an appeal is submitted to CGS by Boxing Scotland, a CGS Appeal Panel will consider the case along with any additional information provided. The appeal must be made by email to jon.doig@teamsotland.scot within three days of notification of selection outcomes to Boxing Scotland by CGS.

APPOINTMENT OF TEAM STAFF

- 37 A Team Manager will be appointed by CGS in consultation with Boxing Scotland by November 2025. The final complement of Boxing team staff attending the Games will ultimately depend upon team numbers and composition and will be determined by CGS in consultation with Boxing Scotland. This may include different categories of accreditation and access to the Games accommodation and other secure areas.

- 6.1. After having established eligibility status under this Byelaw 17 a competitor who has previously represented one Commonwealth Country at a Commonwealth Games may not represent another Commonwealth Country unless they also receive the prior approval of the Federation, the relevant IF and the relevant previously represented Affiliated CGA. For the avoidance of doubt, this Byelaw shall not apply if an individual has represented a Commonwealth Country at a Commonwealth Youth Games. Consideration of the World Boxing Ranking System

Boxing Scotland recognises the importance of the World Boxing Ranking System in relation to selection for major events.

- Boxers may accumulate ranking points through participation in designated World Boxing competitions. Current rankings are an important indicator of competitive standing.

This ranking system reinforces the strategic importance of maximising the number of Scottish boxers on the GB Podium and Academy programmes.

BS reserves the right to maintain individual ranking points where boxers may have to transfer weight category.
